

CENTRAL EXCHANGE

Parking Instructions For UMKC's Bloch Executive Hall 5108 Cherry Street, Kansas City, MO 64110

1. Pick up your FREE parking pass in **LOT 12** the day of your program beginning 10-minutes prior to the start time through 10 minutes after. (Example: if your program begins at 11:30 AM, pick up your parking pass anytime between 11:20 to 11:40 AM).
2. To get to **LOT 12**, take the entrance to the parking lots just north of 52nd Street on Oak Street, which is across from the Resurrection Brookside Church. (Refer to the orange arrows on the map.) Once you drive through Lot 14, you will take a left to go up a hill taking you directly to **LOT 12** (see the teal star on the map).
3. A CX staff person or ambassador will be in front of the entrance to the Bloch Executive Hall with your parking pass. You can then go park in Lot 12, Lot 14 or Lot 19, or any of the other lots in red on the map.
4. When using the parking pass hangtag, please remember to scratch off the month, date, and year on the pass and display from your rearview mirror.
5. If you need handicapped parking, there are spots available in Lot 12 and Lot 19, and you must have the appropriate state disability plate or placard. Both your visitor pass and your plate/placard have to be visible.
6. If you arrive before or after the 20-minute window, street parking on Cherry Street and throughout the UMKC campus is free, or you can park in the designated paid parking spots in Lot 14 or in the Cherry Street Parking Garage using the UMKC parking app, AMP. (See the metered parking boxes in yellow on the map.)
7. CX programs are usually in Room 414 or 331 in the Bloch Executive Hall. Please refer to the program description and your confirmation email for the room number for your program.
