

13TH ANNUAL
CENTRAL  EXCHANGE
STEMMI
Awards

LYDIA MORENO
2023 STEMMI AWARD WINNER

Join Kansas City STEMM companies honoring women.

Surprisingly, women only make up approximately 31% of the workforce in STEMM fields. To change this staggering statistic, we need businesses to get involved shifting the future landscape.

The Central Exchange Women In STEMM (WiSTEMM) initiative is the Kansas City Region's premier effort to recognize, advance and promote women working in the fields of science, technology, engineering, math and medicine.

Each year CX celebrates the accomplishments of all women in KC who are setting trends and breaking barriers in their STEMM fields at the Annual STEMM Awards Benefactor's Roundtable Discussion and the Awards Recognition Gala Luncheon.

Award categories include Enterprising Innovator, Corporate HERO, WiSTEMM Community Spotlight, Groundbreaking Leadership, Rising Trendsetter, WiSTEMM Educator, Student Achiever, and WiSTEMM Champion.

Please help us raise awareness of the innovation, leadership, and success women bring to STEMM by becoming a **sponsor of the 13th Annual STEMM Awards**, and position your company as a champion cultivating and accelerating STEMM leaders in our community.

Your organization will benefit not only as a sponsor but as a beacon and patron of women in STEMM careers.

We count on organizations such as yours to help us reach, cultivate, and celebrate these women. Thank you for your consideration and support!

SECURE YOUR SPONSORSHIP BY MAY 12, 2026

Student Achiever

The **Student Achiever STEMMy Award** recognizes a female college student currently enrolled in a Kansas or Missouri college or university who has professional aspirations in a STEMM field. The student has demonstrated academic achievements, shows exemplary student involvement in campus/community organizations, and is a leader amongst her peers at her college or university. This award can be given to an undergrad or graduate degree student.

WiSTEMM Educator

The **WiSTEMM Educator STEMMy Award** recognizes a full-time STEMM faculty member at any high school or college level. Based on student or fellow faculty evaluations and community accolades, her institution or community acknowledges her as an outstanding educator.

Enterprising Innovator

The **Enterprising Innovator STEMMy Award** recognizes a woman business owner in a STEMM-focused company who demonstrates exemplary leadership in her business by establishing a strong vision and achieving great success. She also demonstrates industry excellence by influencing others in her STEMM field and is viewed as a key contributor in her industry.

Corporate HERO

The **Corporate/Organization HERO STEMMy Award** recognizes a company, whether large or small, that promotes women in STEMM within their organization. This company actively engages in KC Metro STEMM-related activities and supports community organizations. It is highly supportive of women in their STEMM fields and provides benefits and support in the form of education, growth opportunities, flexibility, and camaraderie through initiatives such as ERGs.

HONOREES >>

WiSTEMM Community Spotlight

The **WiSTEMM Community Spotlight Award** recognizes a non-profit, professional organization, or community initiative that promotes STEMM within our region. The Spotlight recipient creates a pipeline of STEMM talent within the community, promotes STEMM initiatives, and raises awareness of STEMM in the community.

Rising Trendsetter

The **Rising Trendsetter Award** recognizes a woman with **10 Years or Less of professional experience in her STEMM field** and who has demonstrated significant achievement early in her career. She is an Influencer of women in STEMM, showing peer recognition and peer support. She is an emerging leader for women in STEMM and is involved in STEMM activities in her company and/or the community.

Groundbreaking Leadership

The **Groundbreaking Leadership Award** recognizes a woman in STEMM who has made significant contributions to the STEMM community throughout her **over 10-year professional career in her STEMM field**. She advocates for women in STEMM by promoting gender equity in leadership roles, supporting women entering or advancing in STEMM careers, and celebrating the achievements of women in this area. She is a comprehensive leader who casts a vision, sets and achieves goals, learns from other leaders, mentors others, influences peers, and drives innovation and change.

WiSTEMM Champion

The **WiSTEMM Champion Award** recognizes a leader, regardless of gender, working in or associated with a STEMM field or organization. These individuals are bridge builders who envision gender equality and take action to realize that vision. They advocate for women in STEMM, empowering them to achieve their full potential. They offer support as women enter or advance in their STEMM careers and actively promote them within their workplaces and communities. They are true champions for others.
